First Families of Clark, Floyd and Harrison Counties

First Families of Floyd, Clark, and Harrison Counties is an ongoing project of the Falls of the Ohio Genealogical Society designed to discover, honor, and preserve the memory of the tri-county pioneers.

Membership in First Families is open to anyone proving direct descent from a settler living in the tri-county area prior to December 31, 1840.

To become a member, download the application from our website at <https://FallsGenealogy.org> and follow the instructions detailed there. There is a cost of \$15 for your first pioneer ancestor and then only \$5 each for any additional pioneer ancestors (please note that these costs only apply for your *pioneer* ancestors, not for each individual ancestor in your tree). Applications for the 2023 program are being accepted now.

About FOGS

The Falls of the Ohio Genealogical Society (FOGS) was formed in 2008 to encourage, gather, and preserve genealogy materials in the southern Indiana counties adjacent to the falls of the Ohio River.

The Society is a not-for-profit organization powered by volunteers. FOGS has presented numerous family and local history classes, workshops, and genealogy fairs, and helped many individuals research their family trees.

Society dues are \$15 per year and membership runs from January 1st through December 31st. Membership in the Society includes a discount on society publications.

To join, visit <https://FallsGenealogy.org> or talk to a board member at any of our programs!
